

1. Record Nr.	UNINA9910696834003321
Autore	Thimons Edward D
Titolo	Using sulfur hexafluoride as a gaseous tracer to study ventilation systems in mines [[electronic resource] /] / E.D. Thimons, R.J. Bielicki, and F.N. Kissell
Pubbl/distr/stampa	[Pittsburgh, Pa.?] : , : U.S. Dept. of the Interior, Bureau of Mines, , [1974]
Descrizione fisica	22 pages : digital, PDF file
Collana	Report of investigations ; ; 7916
Altri autori (Persone)	BielickiRichard J KissellFred N
Soggetti	Sulfur hexafluoride as a test gas Mine ventilation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on July 28, 2008).
