

1. Record Nr.	UNINA9910696930203321
Autore	Samareh Jamshid A
Titolo	A multidisciplinary tool for systems analysis of planetary entry, descent, and landing (SAPE) [[electronic resource] /] / Jamshid A. Samareh
Pubbl/distr/stampa	Hampton, Va. : , : National Aeronautics and Space Administration, Langley Research Center, , [2009]
Descrizione fisica	1 online resource (16 pages) : illustrations
Collana	NASA/TM- ; ; 2009-215950
Soggetti	Systems analysis Atmospheric entry Descent Landing Systems integration Language programming Multidisciplinary design optimization
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Dec. 8, 2010). "November 2009."
Nota di bibliografia	Includes bibliographical reference (pages 15-16)
