

1. Record Nr.	UNINA9910697186003321
Autore	DeSpirito James
Titolo	Numerical investigation of aerodynamics of canard-controlled missile using planar and grid tail fins . Part II Subsonic and transonic flow [[electronic resource] /] / by James DeSpirito, Milton E. Vaughn, Jr., and W. David Washington
Pubbl/distr/stampa	Aberdeen Proving Ground, MD : , : Army Research Laboratory, , [2004]
Descrizione fisica	1 online resource (x, 92 pages) : color illustrations
Collana	ARL-TR ; ; 3162
Altri autori (Persone)	VaughnMilton E WashingtonW. David
Soggetti	Rockets (Aeronautics) - Canard fins - Aerodynamics - Models Rockets (Aeronautics) - Fins - Aerodynamics - Models
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Apr. 1, 2011). "March 2004."
