

1. Record Nr.	UNINA9910697189403321
Autore	Nair Michael L
Titolo	Conceptual design, engineering modeling, and experimental validation of air sampling system for chemical sensor insertion into the U.S. Army Research Laboratory's (ARL) Silent Operating Aerial Reconnaissance (SOAR) Program [[electronic resource] /] / Michael L. Nair
Pubbl/distr/stampa	Aberdeen Proving Ground, MD : , : Army Research Laboratory, , [2004]
Descrizione fisica	1 online resource (iv, 18 pages) : color illustrations
Collana	ARL-TR ; ; 3105
Soggetti	Chemical weapons - Detection Drone aircraft
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Mar. 21, 2011). "February 2004."
Nota di bibliografia	Includes bibliographical references.
