Note generali	"NCJ 219077." "Jun. 08." Title from title screen (viewed Jul. 22, 2008).
Nota di bibliografia	Includes bibliographical references (pages 19-20).
Sommario/riassunto	"This Research for Practice report is the second in a series of reports about the experiences of the JOD sites in implementing the demonstration. It begins with a general description of JOD operations at the three study sites. This report then presents findings from a process evaluation of the three JOD sites (that is, an evaluation of the processes used at the sites), and concludes with lessons learned about implementing JOD and similar initiatives."
