church -- Preaching to the neophytes : the formation of Christian identity -- Preaching to the faithful : a movement beyond time -- Conclusion: The journey home.

Sommario/riassunto

"In *Rhetoric and Scripture in Augustine's Homiletic Strategy*, Michael Glowasky offers an account of how Augustine's pastoral concerns shape the rhetorical strategy in his *Sermones ad populum*. While it has been widely recognized that Augustine draws on classical rhetoric in his sermons, how his use of rhetoric in his *Sermones* relates to his pastoral theology has yet to be addressed. Through careful examination of Augustine's preaching practice, this book provides the most comprehensive account of Augustine's homiletic strategy in his *Sermones* to date. As such, it helps us better appreciate the value of the *Sermones ad populum* as a work in its own right, while at the same time advancing our understanding of Augustine as a preacher, teacher, and pastor"--
