Sommario/riassunto	GAO was asked to provide information on (1) NOAA's methodology for awarding CZMA grants to the states, (2) the extent to which NOAA has processes for ensuring that grants are used in a manner that is consistent with the CZMA, and (3) the extent to which NOAA's state program evaluations and performance measurement system enable the agency to assess the effectiveness of the National Coastal Zone Management Program. GAO reviewed relevant laws, regulations, and documents and interviewed NOAA and the 34 state coastal program officials.
