

1. Record Nr.	UNINA9910697913903321
Autore	Kim S. W
Titolo	Calculation of reattaching shear layers in divergent channel with a multiple-time-scale turbulence model [[electronic resource] /] / S.-W. Kim
Pubbl/distr/stampa	[Washington, D.C.] : , : National Aeronautics and Space Administration Cleveland, Ohio : , : Lewis Research Center, Institute for Computational Mechanics in Propulsion, , [1989]
Descrizione fisica	25 pages : digital, PDF file
Collana	NASA technical memorandum ; ; 102293
Soggetti	Channel flow Reattached flow Shear layers Turbulence models Turbulent flow
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (Viewed Jan. 26, 2009)
