

1. Record Nr.	UNINA9910697927103321
Autore	Saravanos D. A (Dimitris A.)
Titolo	Tailoring of composite links for optimal damped elasto-dynamic performance [[electronic resource] /] / D.A. Saravanos and C.C. Chamis
Pubbl/distr/stampa	[Washington, D.C.] : , : National Aeronautics and Space Administration, , [1989]
Descrizione fisica	27 pages : digital, PDF file
Collana	NASA technical memorandum ; ; 102094
Altri autori (Persone)	ChamisC. C (Christos C.)
Soggetti	Computer aided design Dynamic response Elastodynamics Fiber composites Laminates Linkages Matrix materials Micromechanics Modal response Optimization Polymer matrix composites Stiffness Vibration damping
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Jan. 15, 2009)
