

1. Record Nr.	UNINA9910698138103321
Titolo	XRF technologies for measuring trace elements in soil and sediment : Xcalibur ElvaX XRF Analyzer
Pubbl/distr/stampa	Washington. DC : , : National Exposure Research Laboratory, Office of Research and Development, U.S. Environmental Protection Agency, , [2006]
Descrizione fisica	1 online resource (xiv pages, 195 unnumbered pages) : color illustrations
Collana	Innovative technology verification report
Soggetti	Trace elements - Measurement Soils - Composition Sedimentation analysis
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on October 5, 2016). "Prepared by Tetra Tech EM Inc"--Page i. "EPA/540/R-06/006." "February 2006."
Nota di bibliografia	Includes bibliographical references (page 71).
