

1. Record Nr.	UNINA9910698181203321
Autore	Hoffman John H
Titolo	The study of pressure measurement techniques and devices in the range of 10[exp-1] to 10[exp-5] torr (2 millipsi to 0.2 micropsi) [[electronic resource] ] : final technical report / / by Dr. John H. Hoffman
Pubbl/distr/stampa	[Washington, D.C.] : , : National Aeronautics and Space Administration, , [1990]
Descrizione fisica	1 volume
Collana	NASA contractor report ; ; 186926
Soggetti	Atmospheric pressure Hypersonic vehicles Pressure measurement Pressure sensors Turbulent flow
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Mar. 10, 2009). "August 20, 1990."
