Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	A myth exists that Jews can embrace the cultural components of Judaism without appreciating the legal aspects of the Jewish tradition. This myth suggests that law and culture are independent of one another. In reality, however, much of Jewish culture has a basis in Jewish law. Similarly, Jewish law produces Jewish culture. Roberta Rosenthal Kwall develops and applies a cultural analysis paradigm to the Jewish tradition that departs from the understanding of Jewish law solely as the embodiment of Divine command.
