Sommario/riassunto	When two people form a relationship or marry, they begin to move towards one another with the expectation of closeness. The emotionality or intensity that accompanies this process, however, may result in fusion followed by a desperate need for space or distance. Intrusive Partners - Elusive Mates is the first book to deal exclusively

with the pursuer-distancer interaction, and to focus significant attention on the emerging male pursuer-female distancer dynamic. This book revisits Fogarty's work, traces the concept over time and across different professional fields, and discusses in de
