Nota di contenuto	Introduction: shame in love -- Doing shame -- Shame, bodies, places -- The shamer and the shamed -- Ancestral shame -- Writing shame.
Sommario/riassunto	Elspeth Probyn contends that shame is a powerful resource in rethinking who we are and who we want to be. What shames us says a great deal about our character as individuals and as a society. Blush combines psychology and cultural criticism, sociology and popular science, to present a unique perspective on debates about the ethics and emotion of identity.
