| Nota di bibliografia | Includes bibliographical references and index.                                                                                                                                                                                                                                                    |
| Sommario/riassunto   | This work traces the history of post-war France by tracking the Comité Régional d'Action Viticole (CRAV), a militant collective of winegrowers who have used protest and violence to push back against attempts to modernise the French economy and state and the wider impacts of globalisation. |
