

1. Record Nr.	UNINA9910698270903321
Autore	Ullal Harin S
Titolo	Polycrystalline thin-film photovoltaic technologies [[electronic resource] ] : progress and technical issues // H.S. Ullal
Pubbl/distr/stampa	Golden, Colo., : National Renewable Energy Laboratory, [2004]
Descrizione fisica	4 pages : digital, PDF file
Collana	Conference paper ; ; NREL/CP-520-36241
Soggetti	Photovoltaic power generation - Technological innovations Solar cells - Technological innovations Thin films
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Nov. 3, 2004). "Prepared for the 19th European PV Solar Energy Conference and Exhibition, Paris, France, June 7-11, 2004."
