

1. Record Nr.	UNINA9910698697803321
Autore	Von Roedern Bolko G
Titolo	The role of polycrystalline thin-film PV technologies in competitive PV markets [[electronic resource] /] / Bolko von Roedern and Harin S. Ullal
Pubbl/distr/stampa	Golden, Colo. : , : National Center for Photovoltaics, National Renewable Energy Laboratory, , [2008]
Descrizione fisica	21 unnumbered pages : digital, PDF file
Collana	NREL/PR ; ; 520-43311
Altri autori (Persone)	UllalHarin S
Soggetti	Photovoltaic cells - Research Solar cells - Research Thin films
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Mar. 30, 2009). "Presented at the 33rd IEEE Photovoltaic Specialist Conference held May 11-16, 2008 in San Diego, California."
