

1. Record Nr.	UNINA9910698755303321
Autore	Kroninger Christopher
Titolo	Bio-mimetic millimeter-scale flapping wings for micro air vehicles // Christopher Kroninger [and four others]
Pubbl/distr/stampa	Aberdeen Proving Ground, MD : , : Army Research Laboratory, , March 2009
Descrizione fisica	1 online resource (viii, 66 pages) : illustrations
Collana	ARL-TR ; ; 4729
Soggetti	Microelectromechanical systems - United States - Design and construction Micro air vehicles - United States Drone aircraft - United States Drone aircraft Micro air vehicles Microelectromechanical systems - Design and construction United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
