Sommario/riassunto	The Emergency Economic Stabilization Act (the act) that authorized TARP on October 3, 2008, requires GAO to report at least every 60 days on findings resulting from our oversight of the actions taken under TARP. This testimony is based primarily on our January 30, 2009 report, the second under the act's mandate, which covers the actions taken as part of TARP through January 23, 2009, and follows up on the nine recommendations we made in our December 2, 2008 report. This testimony also provides additional information on some recent developments related to TARP, including Treasury's new financial stability plan.
