| 1. Record Nr. | UNINA9910698993103321 |
| Autore | Lakin William D |
| Titolo | An integrating matrix formulation for buckling of rotating beams including the effects of concentrated masses [[electronic resource] /] / William D. Lakin, Raymond G. Kvaternik |
| Pubbl/distr/stampa | Hampton, Va. : , : National Aeronautics and Space Administration, Langley Research Center, , [1989] |
| Descrizione fisica | 1 volume |
| Collana | ICASE report ; ; no. 89-39 NASA contractor report ; ; 181862 |
| Altri autori (Persone) | KvaternikRaymond G |
| Soggetti | Beams (supports) Buckling Flexible bodies Mass Rotating bodies Structural stability |
| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Note generali | Title from title screen (viewed June 10, 2009) "Institute for Computer Applications in Science and Engineering." |
