Note generali	Title from title screen (viewed on Mar. 30, 2009). "February 2009." "GAO-09-316."
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	This report (1) describes the events that led to the decline in the account balance, including how DOT responded, and (2) identifies potential improvements in mechanisms to manage account solvency. This report also includes information on strategies GAO has reported on in the past that could be used to better align account outlays and revenues.
