Sommario/riassunto

Since the 1970's, Americans have witnessed a pyrrhic war on crime, with sobering numbers at once chilling and cautionary. Our imprisoned population has increased five-fold, with a commensurate spike in fiscal costs that many now see as unsupportable into the future. As American society confronts a multitude of new challenges ranging from terrorism to the disappearance of middle-class jobs to global warming, the war on crime may be up for reconsideration for the first time in a generation or more. Relatively low crime rates indicate that the public mood may be swinging toward declaring victory a...
