

1. Record Nr.	UNINA9910699203503321
Autore	Desai P. V (Prateen Vinduprasad), <1936->
Titolo	Fatigue behavior of flexhoses and bellows due to flow-induced vibrations [[electronic resource]] : final report / / prepared by Prateen V. Desai and Lindsey Thornhill
Pubbl/distr/stampa	Atlanta, Ga. : , : School of Mechanical Engineering, Georgia Institute of Technology, , [1986]
Descrizione fisica	1 volume : PDF file
Collana	NASA CR ; ; 176481
Altri autori (Persone)	ThornhillLindsey
Soggetti	Bellows Cyclic loads Domains Failure analysis Fatigue life Flexibility Fluid flow Frequencies Vibration
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Jan. 6, 2010). "Prepared for NASA Kennedy Space Center under contract no. NAG10-0017." "January 1986."
Nota di bibliografia	Includes bibliographical references.
