"Produced by National Center for Health Marketing in collaboration with National Center on Birth Defects and Developmental Disabilities." "Release date: 9/22/2008"--Video home page. Accompanied by transcript in PDF format.
Sommario/riassunto	Describes the objectives of the National Center's on Birth Defects and Developmental Disabilities public awareness campaign to educate parents about developmental milestones, developmental delays, and developmental disabilities in young children. Covers specific, age-

appropriate milestones for children's play, learning, speaking, and acting for 8-month-, 18-month-, and 24-month-olds. Recommends kinds of contacts for early intervention.
