

1. Record Nr.	UNINA9910699313303321
Autore	Knight Norman F
Titolo	Bearing-load modeling and analysis study for mechanically connected structures [[electronic resource] /] / Norman F. Knight, Jr
Pubbl/distr/stampa	Hampton, Va. : , : National Aeronautics and Space Administration, Langley Research Center, , [2006]
Descrizione fisica	1 online resource (45 pages) : illustrations
Collana	NASA CR-2006-214529
Soggetti	Mathematical models Bearings Mechanical properties Holes (mechanics) Joints (junctions) Axial loads
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Dec. 3, 2010). "December 2006."
Nota di bibliografia	Includes bibliographical reference (page 15)
