Sommario/riassunto	The philosophy of religion is a core area in the study of philosophy, as well as being a subject of growing contemporary interest. It encompasses some of the major and most complex philosophical questions. Does God exist? What is God's nature? Why does God allow evil? What is a religious experience? Are religion and science compatible? What relevance does evolution have for religious belief? It also covers questions concerning the challenge of religious pluralism, a topic of great contemporary relevance. Written with the specific needs of students new to philosophy in mind, Religion: Key Conc
