1. Record Nr.   UNINA9910699570303321

   Titolo   Information Infrastructure Technology and Applications (IITA) Program
                          [[electronic resource]] : Annual K-12 Workshop, April 11-13, 1995

   Pubbl/distr/stampa   [Washington, D.C.] : , : National Aeronautics and Space Administration,
                          , [1996?]

   Descrizione fisica   1 online resource (499 unnumbered pages) : illustrations

   Collana   NASA TM ; ; 110485

   Soggetti   Earth sciences - Study and teaching - United States
                          Physical sciences - Study and teaching - United States
                          Technology - Study and teaching - United States
                          Engineering - Study and teaching - United States
                          Information networks - Study and teaching - United States
                          Computer networks - Study and teaching - United States
                          Technology and state - United States
                          Conference papers and proceedings.

   Lingua di pubblicazione Inglese

   Formato   Materiale a stampa

   Livello bibliografico Monografia

   Nota di bibliografia   Many articles include bibliographical references.

   Nota di contenuto   1994 Maryland/FSFC Earth & Environmental Science Teacher
                          Ambassador program / Jim Latham -- Intelligent agent for the K-12
