

1. Record Nr.	UNINA9910699652003321
Autore	Reeder James R
Titolo	A critique of a phenomenological fiber breakage model for stress rupture of composite materials [[electronic resource] /] / James R. Reeder
Pubbl/distr/stampa	Hampton, Va. : , : National Aeronautics and Space Administration, Langley Research Center, , [2010]
Descrizione fisica	1 online resource (21 pages) : illustrations
Collana	NASA/TM ; ; 2010-216721
Soggetti	Composite materials Composite wrapping Failure modes Loads (forces) Pressure vessels Proving Composite structures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on March 3, 2011). "July 2010."
Nota di bibliografia	Includes bibliographical references (page 21)
