Sommario/riassunto	Keeping in view the role of the police in a modern society, the respect for the rule of law and the trust of the community as a critical resource, more and more police organizations around the world have embraced Community Policing with the objective of making the police sensitive to the needs of the community. However, in the absence of an institutional and legal framework and a resultant lack of understanding of the dynamics of policy processes, many such initiatives failed to stand the tes...
