

1. Record Nr.	UNINA9910700124303321
Autore	Chang Y. May
Titolo	Error analysis and calibration uncertainty of capacitance standards at NIST [[electronic resource] /] / Y. May Chang
Pubbl/distr/stampa	Gaithersburg, MD : , : U.S. Dept. of Commerce, Technology Administration, National Institute of Standards and Technology, , [2000]
Descrizione fisica	1 online resource (1 volumes (various pagings)) : illustrations
Collana	NIST special publication ; ; 250-52 NIST measurement services
Soggetti	Capacitance meters - Calibration Electric capacity - Standards - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Mar. 22, 2011). Paper version no longer available for sale by the Supt. of Docs. "January 2000."
Nota di bibliografia	Includes bibliographical references (pages 38-39).
