|-------------------------|--|
| 1. Record Nr. | UNINA9910700129003321 |
| Titolo | Gas flowmeter calibrations with the 34 L and 677 L PVTt standards [[electronic resource] /] / John D. Wright ... [and others] |
| Pubbl/distr/stampa | [Gaithersburg, Md.] : , : U.S. Dept. of Commerce, National Institute of Standards and Technology, , [2004?] |
| Descrizione fisica | 1 online resource (72 unnumbered pages) |
| Collana | NIST measurement services NIST special publication ; ; 250-63 |
| Altri autori (Persone) | WrightJohn D |
| Soggetti | Gas-meters - Calibration Flow meters - Calibration |
| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Note generali | Title from page [1], viewed May 8, 2006. |
| Nota di bibliografia | Includes bibliographical references (pages 62-64). |
