

1. Record Nr.	UNINA9910700311403321
Autore	Mielnik John J
Titolo	Open circuit resonant sensors for composite damage detection and diagnosis [[electronic resource] /] / John J. Mielnik, Jr
Pubbl/distr/stampa	Hampton, Va. : , : National Aeronautics and Space Administration, Langley Research Center, , [2011]
Descrizione fisica	1 online resource (28 pages) : color illustrations
Collana	NASA/CR ; ; 2011-216884
Soggetti	Circuits Aircraft structures Composite materials Damage Detection Flight hazards Composite structures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on June 30, 2011). "January 2011."
Nota di bibliografia	Includes bibliographical references (pages 27-28).
