| Sommario/riassunto      | This work focuses on the topic of freedom. The author starts with the old issue of free will - do we as individual human beings choose our conduct, at least partly independently, freely? He comes down on the side of libertarians who answer Yes, and scorns the compatibilism of |

philosophers like Daniel Dennett, who try to rescue some kind of freedom from a physically determined universe. From here he moves on to apply his belief in radical freedom to areas of life such as religion, politics, a...
