Nota di contenuto	Beyond Main Street : imperial nightmares and gopher prairie yearnings -- Cosmopolitan domesticity, imperial accessories : importing the American dream -- The fashionable world : imagined communities of dress -- Entertaining difference : popular geography in various guises -- Girdling the globe : the fictive travel movement and the rise of the tourist mentality -- Immigrant gifts, American appropriations : Progressive Era pluralism as imperialist nostalgia -- Conclusion: The global production of American domesticity -- Appendix of travel clubs.
Sommario/riassunto	Shifting attention from exports to imports, from production to consumption, and from men to women, Hoganson makes it clear that globalization did not just happen beyond America's shores, as a result of American military might and industrial power, but that it happened at home, thanks to imports, immigrants, geographical knowledge, and consumer preferences.
