

1. Record Nr.	UNINA9910700818803321
Titolo	Communications platform payload definition study [[electronic resource] /] / [H.W. Clopp, and others] ; prepared by RCA Astro-Electronics Division ; prepared for NASA Lewis Research Center
Pubbl/distr/stampa	Princeton, N.J. : , : RCA Astro-Electronics Division, , [1986]
Descrizione fisica	1 online resource (2 volumes) : illustrations
Collana	NASA CR ; ; 174985-86
Altri autori (Persone)	CloppH. W
Soggetti	<p>Communication satellites</p> <p>Cost analysis</p> <p>Geosynchronous orbits</p> <p>Orbit spectrum utilization</p> <p>Satellite design</p> <p>Satellite transmission</p> <p>Synchronous platforms</p> <p>Synchronous satellites</p> <p>Spacecraft communication</p> <p>Systems analysis</p> <p>Technology assessment</p>
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"July 1986."
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	v. 1. Executive summary. -- v. 2. Technical report.
