

1. Record Nr.	UNINA9910701032103321
Autore	Mittal Anu K
Titolo	Energy development and water use [[electronic resource]] : impacts of potential oil shale development on water resources : testimony before the Subcommittee on Energy and Mineral Resources, Committee on Natural Resources, House of Representatives // statement of Anu K. Mittal
Pubbl/distr/stampa	[Washington, D.C.] : , : U.S. Govt. Accountability Office, , [2011]
Descrizione fisica	1 online resource (14 pages) : map
Collana	Testimony ; ; GAO-11-929T
Soggetti	Oil-shale industry - Environmental aspects - United States Water consumption - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from PDF title page (viewed on Jan. 13, 2011). "For release ... August 24, 2011."
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Background -- Oil shale development could adversely impact water resources, but the magnitude of these impacts is unknown -- Estimates of water needs for commercial oil shale development vary widely -- Water is likely to be available initially from local sources, but the size of an oil shale industry may eventually be limited by water availability -- Federal research efforts on the impacts of oil shale development on water resources do not provide sufficient data for future monitoring.
