Sommario/riassunto

Guanxi or interpersonal relationships is one of the major dynamics of Chinese society. A pervasive part of the Chinese business world for the last few centuries, it binds literally millions of Chinese firms into a social and business web. Any business in this society, including local firms and foreign investors and marketers, inevitably faces guanxi dynamics. In China's new, fast-paced business environment, guanxi has been more entrenched than ever, heavily influencing Chinese social behavior and business practice. However, as in other emerging economies, corruption in China is becoming more r
