

1. Record Nr.	UNINA9910701516103321
Titolo	Elastic-plastic deformation of a metal-matrix composite coupon with a center slot [[electronic resource] /] / Daniel Post ... [and others]
Pubbl/distr/stampa	Blacksburg, Va. : , : Virginia Polytechnic Institute and State University Hampton, Va. : , : National Aeronautics and Space Administration, Langley Research Center, , [1985]
Descrizione fisica	1 online resource (46 pages) : illustrations
Collana	NASA contractor report ; ; 178013 NASA-CR ; ; 178013
Altri autori (Persone)	PostDaniel
Soggetti	Aluminum Boron fibers Deformation Displacement measurement Elastoplasticity Interferometry Metal matrix composites Moire effects Plastic deformation Samples Shear strain Slots Stress concentration
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Mar. 29, 2012). "November 1985."
Nota di bibliografia	Includes bibliographical reference (page 13).
