Sommario/riassunto	The volume will cover all aspects of Somalia, providing useful information about the country in a comprehensive manner. The book also reflects on the contributions of the Somali sources on history and culture. Arabic sources and other non-English colonial sources of great importance to the subject are also highlighted. A vital addition to reference collections supporting undergraduate and graduate programs on Africa and the Middle East, international relations, and economics_ and a useful fact-filled compendium for governement and public libraries, NGO's, and other special libraries as well.
