

1. Record Nr.	UNINA9910701738803321
Autore	Green Robert S
Titolo	Measured pressure distributions inside nonaxisymmetric nozzles with partially deployed thrust reversers [[electronic resource] /] / Robert S. Green, George T. Carson, Jr
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, Scientific and Technical Information Branch, , 1987
Descrizione fisica	1 online resource (40 pages) : illustrations
Collana	NASA technical memorandum ; ; 89044
Altri autori (Persone)	CarsonGeorge T
Soggetti	Axisymmetric flow Nozzle geometry Pressure distribution Thrust reversal Jet planes - Thrust reversers Jet nozzles Aerodynamic load - Measurement
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed May 1, 2009) "Performing Organization, NASA Langley Research Center"--Standard bibliographic p.
Nota di bibliografia	Includes bibliographical references (page 5).
