

1. Record Nr.	UNINA9910701851803321
Titolo	Pioneer solar plasma and magnetic field measurements in interplanetary space during August 2-17, 1972 [[electronic resource] /] / J.D. Mihalov ... [and others]
Pubbl/distr/stampa	Moffett Field, Calif. : , : National Aeronautics and Space Administration, Ames Research Center, , [1973]
Descrizione fisica	1 online resource (13 pages) : illustrations
Collana	NASA TM ; ; X-62,291
Altri autori (Persone)	MihalovJ. D
Soggetti	Interplanetary magnetic fields Interplanetary shock waves Pioneer space probes Solar wind Sun Solar magnetic field Solar wind velocity
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Mar. 19, 2012). "May 1973."
Nota di bibliografia	Includes bibliographical references (page 13).
