Sommario/riassunto	<p>"For readers of Victoria Aveyard and Kiera Cass comes a darkly fantastical debut set in a modern England where magically gifted aristocrats rule--and commoners are doomed to serve. NOT ALL ARE FREE. NOT ALL ARE EQUAL. NOT ALL WILL BE SAVED. Our world belongs to the Equals--aristocrats with magical gifts--and all commoners must serve them for ten years. But behind the gates of England's grandest estate lies a power that could break the world. A girl thirsts for love and knowledge. Abi is a servant to England's most powerful family, but her spirit is free. So when she falls for one of their noble-born sons, Abi faces a terrible choice. Uncovering the family's secrets might win her liberty--but will her heart pay the price? A boy dreams of revolution. Abi's brother, Luke, is enslaved in a brutal factory town. Far from his family and cruelly oppressed, he makes friends whose ideals could cost him everything. Now Luke has discovered there may be a power even greater than magic: revolution. And an aristocrat will remake the world with his dark gifts. He is a shadow in the glittering world of the Equals, with mysterious powers no one else understands. But will he liberate--or destroy?"--</p>
