

1. Record Nr.	UNINA9910701957403321
Autore	Majumdar S (Saurindranath)
Titolo	Effects of a high mean stress on the high-cycle fatigue life of PWA 1480 and correlation of data by linear elastic fracture mechanics [[electronic resource] /] / by S. Majumdar and R. Kwasny
Pubbl/distr/stampa	Argonne, Ill. : , : Argonne National Laboratory Cleveland, Ohio : , : NASA Lewis Research Center, , [1985]
Descrizione fisica	1 online resource (23 pages) : illustrations
Collana	NASA-CR ; ; 175057
Altri autori (Persone)	KwasnyR
Soggetti	Alloys Crack propagation Cyclic loads Elastic properties Failure Fatigue life Fracture mechanics Linear systems Single crystals
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on July 17, 2012). "November 1985."
Nota di bibliografia	Includes bibliographical references (page 23).
