

1. Record Nr.	UNINA9910701999803321
Autore	Williamson Frank R
Titolo	Cryogenic foam insulation, abstracted publications [[electronic resource] /] / Frank R. Williamson ; prepared for the Aerospace Safety Research and Data Institute, NASA Lewis Research Center
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, Scientific and Technical Information Office, , 1977
Descrizione fisica	1 online resource (vii, 165 pages)
Collana	NASA reference publication ; ; 1002
Soggetti	Foam Foamed materials Insulation (Heat) Low temperature engineering Cryogenic equipment Foams
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on July 1, 2012). "Performing organization, National Bureau of Standards, Cryogenics Division"--Rept. documentation p.
Nota di bibliografia	Includes bibliographical references.
