

1. Record Nr.	UNINA9910702210103321
Autore	Guberman S (Steven)
Titolo	Theoretical studies of important processes in planetary and comet atmospheres [[electronic resource]] : renewal request / / Steven L. Guberman; principal investigator
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, Solar System Exploration Division, , [1989]
Descrizione fisica	1 online resource (7 pages, 23 unnumbered pages) : illustrations
Collana	[NASA contractor report ; ; NASA-CR-184951]
Soggetti	Atmospheric models Cometary atmospheres Gas dissociation Oxygen Planetary ionospheres Recombination reactions
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Nov. 8, 2012). "April 21, 1989."
Nota di bibliografia	Includes bibliographical references (page 7).
