

1. Record Nr.	UNINA9910702356503321
Autore	Tiwari S. N
Titolo	Transient radiative energy transfer in incompressible laminar flows [[electronic resource]] : progress report for the period ended June 30, 1987 // by S. N. Tiwari and D. J. Singh
Pubbl/distr/stampa	Norfolk, Va. : , : Old Dominion University Research Foundation Hampton, Va. : , : National Aeronautics and Space Administration, Langley Research Center, , [1987]
Descrizione fisica	1 online resource (viii, 62 pages, 115 unnumbered pages) : illustrations
Collana	NASA contractor report ; ; NASA-CR-182605
Altri autori (Persone)	SinghD. J
Soggetti	Energy transfer Incompressible flow Laminar flow Numerical analysis Radiative heat transfer Transient heating
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Dec. 4, 2012). "June 1987."
Nota di bibliografia	Includes bibliographical references (pages 59-62).
