

1. Record Nr.	UNINA9910702375203321
Titolo	Contamination effects study [[electronic resource]] : final report / / prepared by Center for Applied Optics, University of Alabama in Huntsville
Pubbl/distr/stampa	[Huntsville, Ala.] : , : National Aeronautics and Space Administration, Marshall Space Flight Center : , : Center for Applied Optics, University of Alabama in Huntsville, , [1988]
Descrizione fisica	1 online resource (27 pages) : illustrations
Collana	[NASA contractor report] ; ; NASA-CR-183613
Soggetti	Contamination Far ultraviolet radiation Optical materials Optical measurement Reflectance Space environment simulation Surface properties Ultraviolet reflection Vacuum chambers
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Nov. 26, 2012). "December 1988."
