

1. Record Nr.	UNINA9910702428803321
Autore	Seufzer William J (William James), <1961->
Titolo	Additive manufacturing modeling and simulation : a literature review for electron beam free form fabrication / / William J. Seufzer
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , April 2014
Descrizione fisica	1 online resource (vii, 23 pages)
Collana	NASA/TM ; ; 2014-218245
Soggetti	Additives Deposition Electron beams Fabrication Feedback control Simulation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed June 4, 2014). "April 2014."
Nota di bibliografia	Includes bibliographical references (pages 18-23).
