

1. Record Nr.	UNINA9910702429403321
Autore	Giles M (Michael)
Titolo	Asymptotic analysis of numerical wave propagation in finite difference equations // by Michael Giles, W.T. Thompkins, Jr
Pubbl/distr/stampa	Cambridge, Massachusetts : , : Gas Turbine & Plasma Dynamics Laboratory, Massachusetts Institute of Technology, , 1983
Descrizione fisica	1 online resource (141 pages) : illustrations
Collana	GT & PDL report ; ; no. 171 NASA-CR ; ; 175323
Soggetti	Asymptotic methods Backward differencing Finite difference theory Partial differential equations Wave packets Wave propagation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"March 1983."
Nota di bibliografia	Includes bibliographical references (page 134).
