| 1. Record Nr. | UNINA9910702574903321 |
| Autore | Mendoza J. |
| Titolo | Active vibration control for helicopter interior noise reduction using power minimization // J. Mendoza [and four others] |
| Pubbl/distr/stampa | Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , January 2014 |
| Descrizione fisica | 1 online resource (197 pages) : color illustrations |
| Collana | NASA-CR ; ; 2014-218147 |
| Soggetti | Noise reduction Rotary wing aircraft Aircraft compartments Optimal control Structural vibration Vibration damping |
| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Note generali | Title from title screen (viewed Nov. 26, 2014). "January 2014." |
| Nota di bibliografia | Includes bibliographical references (pages 187-191). |
